CODE GEASS -Lelouch of the Revellion-
Ultimate Powers/RURU Presents Fan-Book Vol.2

初めましての方もおなじみの方もこんにちは
RURUと申します
今回はスザユフィとルルC.C.の本です

スザユフィ至上主義は相変わらずですが
昔に戻っちゃったC.C.のかわいさにもやられ気味です…
あのいたいけな感じがほんとやばすぎる
何あのギャップ萌え…！！

そんな気持ちをぶつけたこの本
少しでもお楽しみ頂けましたなら幸いです

ではでは　またのちほど…！

To begin with the curent C.C. acts like a childish little slave girl.
Wait...! That's right! And for the same reason she hasn't been having feelings of embarrassment during this time!
偏見

Why is she taking off her top!?¿
It's unpleasant but, what am I getting so shaken about?¿

Hello,
Suzaku?¿
In this message I want to dispose of ceremonial pleasantries.
Surely in our beautiful new world the two of us can express our true, hones feelings...
what do you think?¿
But, well...
I'm very coward so
--
I think that in front of you,
I'll never be able to say this important thing

--
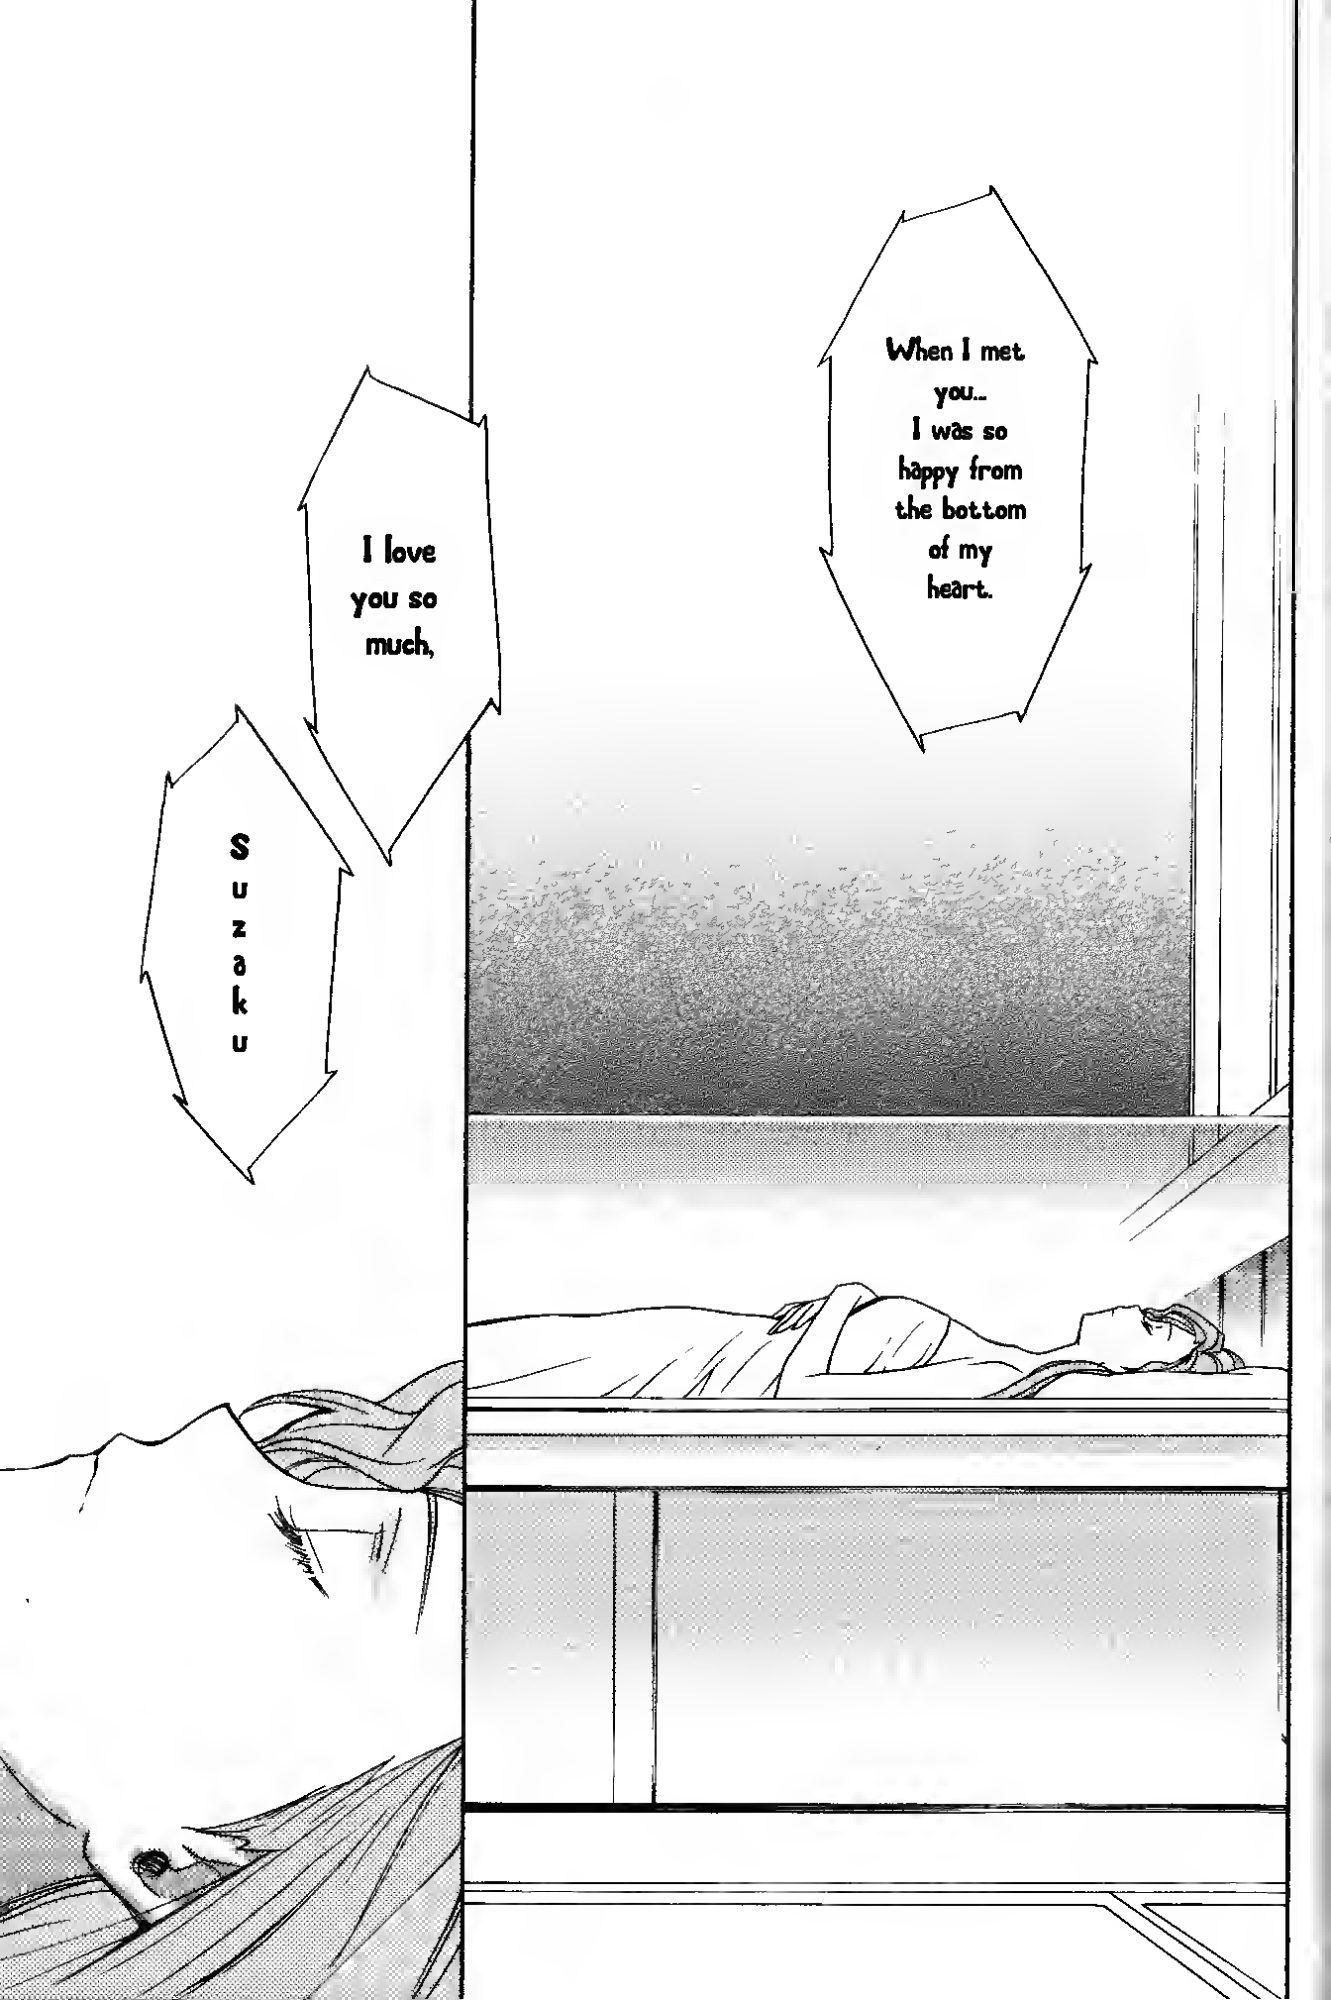
so...
now,
please listen carefully,
okay?¿



When I met you... I was so happy from the bottom of my heart.
I love you so much,
Suzaku

I hope you can
hear it.

Only my voice
calls for you.
